# C's the World

The world in your palms

## Game #5 in the C's the World series: Colour Colour

Uno with a Country Twist: Colour, Colour on the Table, Which Colour Do you Want?

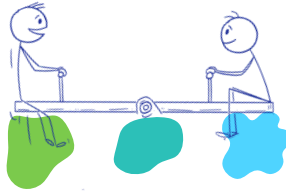

### 1. Goal

Be the first to shed all your cards, or have the least cards at the end of 20 minutes. The house decides how to play.

### 3. Game Flow

1. Sort cards colour-wise

2. On your turn, match the top discarded card, based on:

#### COLOUR

on the back side

#### COUNTRY

name starting letter

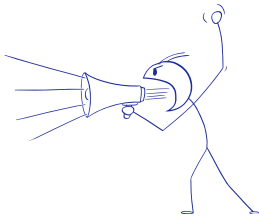

#### CONTINENT

it is a part of

**Can't play?** Draw 1 card. If it's playable, play it immediately. If not, your turn ends.

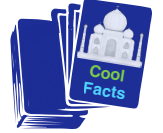

**1 card left?** Say "Colour Colour!" If you forget and get caught, draw 2 cards.

**Advanced rule:**  
Skip while playing with small kids

### 2. Set-up

- 1 Shuffle the cards front-side up
- 2 Deal 7 cards to each player
- 3 The remaining cards form the draw pile
- 4 Take the top card from the draw pile to start a discard pile
- 5 The player to the left of the dealer starts

Each player starts with 7 cards

### 4. Smart Actions

- S SWITCH:** Play a country starting with S to switch the game direction
- M MISS:** Play a country starting with M and the next player misses a turn
- A ASSIGN:** Play a country starting with A to assign a new colour
- R RETURN:** Play a country starting with R to return half your cards
- T TAKE:** Play a country starting with T and the next player takes 3 cards

### 5. Bonus Rules for more laughs & chaos

If you match both **colour** and **country**, choose one of the SMART options.

If you match all three **colour**, **country & continent**, choose any one of the SMART options or exchange your cards with anyone.

During RETURN action, discard half your cards rounded down.  
E.g. 5 cards → return 2
